TENTATIVE COURSE PLAN

Please add the expected year of enrollment to the table below. We understand that scheduling plans may change. You must be on campus for at least 2 fall semesters and 1 spring semester to complete the program. In order to confer this program and have it show up on your transcripts, you must include this program in your application for graduation.

Course	Semester of Enrollment (expected year of enrollment)
STT200/201, or 231 (Prerequisite)	
PH 101	Online
EPI 200	FS
EPI 280	SS
EPI 380	SS
EPI 390	FS
