EDUCATION

BA , Social and Behavioral Sciences/Public Health, Johns Hopkins University School of Arts and Sciences, Baltimore, MD	1988
MHS , Maternal and Child Health, Johns Hopkins University School of Hygiene & Public Health, Baltimore, MD	1989
MPhil , Epidemiology, Columbia University Graduate School of Arts and Sciences, New York, NY	1992
PhD , Epidemiology, Columbia University Graduate School of Arts and Sciences, New York, NY	1993

FACULTY APPOINTMENTS

Chair of Epidemiology and Biostatistics	2020 – present
Professor of Epidemiology and Biostatistics	2020 – present
<i>Michigan State University College of Human Medicine, E. Lansing, MI</i>	

Professor of Family Medicine & Public Health Sciences	2013-2019
Associate Professor of Family Medicine & Public Health Sciences (Tenured 2010)	2008-2013
Associate Chair for Research	2010-2018
Director, Division of Health Equity	2016-2019
Director of Epidemiology, Biostatistics, Epidemiology Research Design (BERD)	2017-2019
Core Faculty Genetic Counseling Program	2014-2019
<i>Wayne State University School of Medicine, Detroit, MI</i>	

Associate Professor of Health Behavior and Health Education	2001-2008
Director, Reproductive & Women's Health Interdepartmental Curriculum Concentration	2003-2007 2005-2008
Faculty Associate, Center for Social Epidemiology and Population Health	
<i>University of Michigan School of Public Health, Ann Arbor, MI</i>	

Assistant Professor of Population and Family Health Sciences	1995-2001
Assistant Professor of Epidemiology (joint)	1995-2001
Population Center Associate Faculty	1998-2001
Faculty, Women's and Children's Health Policy Center	1997-2001
<i>Johns Hopkins University School of Hygiene and Public Health, Baltimore, MD</i>	

Visiting Assistant Professor of Community Health & Social Medicine <i>City University of New York Medical School, New York, NY</i>	1993-1994
---	-----------

MAJOR PROFESSIONAL SOCIETIES

Society for Pediatric and Perinatal Epidemiologic Research (SPER)	
Member	1995-present
Secretary	2004-2007
President	2025-2026
Society for Epidemiologic Research (SER)	2020- present
 Improving Pregnancy Outcomes Committee Maternal and Child Health Section, American Public Health Association	 1996-1998

HONORS/AWARDS:

Academy for Developing Visionary Institutes and Centers of Excellence (ADVICE) career development incubator inaugural cohort	2024
	2021-22
Big Ten Academic Leadership Program Fellow	2019
Excellence in PostDoc Mentorship Award, Graduate School, Wayne State University	2017
Best Reviewer of the Year (one of ten), American Journal of Epidemiology	2013-2015
Charles H. Gershenson Distinguished Faculty Fellow, Wayne State University	2009
Michigan Family Medicine Research Day XXXII, Best Family Medicine Presentation by a Teacher/Faculty	2002
Rackham Interdisciplinary Institute Faculty Scholar, University of Michigan	

SERVICE

Michigan State University

Department

Member, Recruitment Ad Hoc Committee	2020-2021
--------------------------------------	-----------

College

Chair, Grand Rapids Global Impact Initiative Search Committee	2024 - present
Chair, 5-Year Review Translational Neurosciences Department Self Study Committee	2022-2023
Member and Affirmative Action Advocate, Dean Search Committee	2021-2022
Chair, Pharmacology & Toxicology Department Chair Search Committee	2021-2022

University

Wayne State University

Departmental/Divisional

Chair, Environmental Health Search Committee	2016-17
Member, Epidemiology Search Committee (Sociology)	2016-17
Member, Health Equity Search Committee	2017
Mentoring Advisory Committee	2011-2013
Chair, Biostatistics Faculty Search Committee	2011-2012
Member, Epidemiology Faculty Search Committee	2012-2013

Mentoring Working Group	2010-2011
MPH Admissions Committee	2010-2011
MPH Curriculum Committee	2008-2018
Leadership Committee	2008-2018
Salary Committee	2008-2015
Member, Promotion & Tenure Committee	2010-15, 2019
Chair, Promotion & Tenure Committee	2013-2014
<i>School of Medicine</i>	
Chair, Research Development Committee	2017-2018
Member, Research Development Committee	2010-2018
"Closing the Salary Gap" presentation (co-leader), Women in Medicine & Science	2013
Lifetime Research Achievement Award selection committee	2012, 2013
Search Committee, Department of Pediatrics Chair Search	2012-2013
"How to Run a Departmental Mock Study Section" panelist,	2012
WSU Professional Academic Development Seminar Series	
Medical Student Summer Grant Fellowship Selection Committee	2011-2014
Medical Student Distinction in Biomedical Research Awards Selection Committee	2014-2019
Strategic Planning Translational Medicine Workgroup	2011-2012
Strategic Planning Program Project Workgroup	2011-2012
Co-Director Research Design, Biostatistics, Epidemiology Unit, CTSA (MACTS)	2010-2013
Michigan Public Health Week committee member	2009-2014
<i>University</i>	
Director, Biostatistics, Epidemiology and Research Design (BERD), WSU Clinical Research Service Center.	2017-2019
Member, Workforce on Strategic Funding, Responsibility Centered Budget Model Committee	2017-19
Chair, Committee Mayor's Summit on Health Equity in Detroit	2015-2018
Research on Urban Biobehavioral Health in Urban Settings Today (RoBUST)	2015-2016
Steering Committee Member	
Multidisciplinary Research Building workgroup	2011-2012
Distinguished Faculty Fellowship selection committee member	2013
<u>University of Michigan</u>	
<i>Division and/or Department</i>	
Chair, Job and Field Placement Committee	2004-2006
Chair, Preliminary Examination Committee for Age, Stage, Development	2003-2005
Preliminary Examination Committee for Stress, Social Support/Social Network Coping	2005
Doctoral Committee	2001-2004
<i>School of Public Health</i>	
Director, Reproductive and Women's Health Interdepartmental Concentration	2003-2007
Public Health Genetics Interdepartmental Concentration Executive Committee	2002-2006
<i>University</i>	
Admissions interviewer, Robert Wood Johnson Health and Society Scholars	2005
<u>Johns Hopkins University</u>	
<i>Division and/or Department</i>	
Honors and Awards Committee	2000-2001
MHS Committee	1999-2000
Admissions Committee	1995-1999
Co-Chair, Admissions Committee	1997-1998

Curriculum Committee	1995-1996
Strategic Planning Writing Team	1996-1997
Self Study Team	1996-1997

Johns Hopkins University

School of Public Health

Affirmative Action Committee	1999-2001
Ad-hoc Student Environment Subcommittee, Strategic Planning	2000
Faculty Selection Committee Minority Predoctoral Fellowship	1996-1999
Honors and Awards Committee	1996-1999
Faculty Senate	1996-1998

University

Chair, Subcommittee on Inventory of Databases, Women's Health Initiative, Research Committee	1998
Creation of Maternal-Fetal-Infant Health Journal Club	1995-2000

Professional

Maternal Outcomes Matter Shower (M.O.M.S) Tour Detroit, U.S. DHHS, Executive Planning Committee	2023
SPER Equity Advisory Board	2022-present
SPER, Outreach Committee	2020-2021
Ascension Providence Hospital, research on outcomes of COVID admissions	2020-present
MDHHHS Provider COVID testing hotline	2020
Board of Directors, Michigan Public Health Institute	2011-2014
Judge, Society for Pediatric and Perinatal Epidemiologic Research (SPER) posters	2011-12, 16-17
Moderator, SPER panel session	2011, 2012
Judge, St. John/Providence Health System Resident Research Day	2011
Reviewer, N. American Congress on Epidemiology abstracts	2011
Stakeholder participant for AHRQ (Future Research Needs for Outcomes of Weight Gain in Pregnancy. AHRQ Publication No. 11-EHC004-EF)	2010
Reviewer, SPER Student Prize Paper Award submissions	2010 - present
Reviewer, SPER Abstracts Annual Meeting	2015, 2017-present

Consulting

Institute for Population Health/Healthy Start, Detroit, MI	2018 – 2022
Member, Advisory Board for Tulane's Center for Gulf Coast Environmental Health Research, Leadership and Strategic Initiatives	2015 – 2018
Member, Workgroup on Achieving Healthy Equity in Preterm Birth, March of Dimes	2012
Co-Chair, Psychosocial Factors Workgroup, Office of the U.S. Surgeon General, Conference on Preterm Birth	2008
Nebraska State Department of Health	2008
Office of Children's Health Protection, U.S. EPA, literature review	2007-2008
Virginia Department of Health, implementation of perinatal framework	2006-2007
Chair, External Scientific Advisory Board for the Central Pennsylvania Center of Excellence for Research on Pregnancy Outcomes	2004-2008
National March of Dimes Prematurity Campaign.	2002
Midmark Corporation, Ohio, women's health	2002
Black Infants/Better Survival, New Jersey Department of Health & Human Services	1999

Scholarly Service

Grant Review Committees

National/International

NIH NIEHS, Early Career Development and Pathway to Independence in Basic/Biomedical and Clinical Research, ad hoc	2024
NIH NCCIH, Exploratory Clinical Trials of Mind and Body Interventions, ad hoc	2023
NIH Maternal Health Research Centers of Excellence (U54), ad hoc.	2023
NIH Environmental influences on Child Health Outcomes (ECHO) Pregnancy Cohort Study Sites (UG3/UH3), ad hoc	2023
NIH Organization and Delivery of Health Services, ad hoc	2022
NIH National Center for Complementary and Integrated Health, special emphasis panel	2021
NIH Social Science and Population Studies (SSPB) study section, ad hoc	2020, 2021
NCCIH Training and Education study section, ad hoc	2021
NIEHS Pregnancy as a Vulnerable Time Period for Women's Health, ad hoc	2020
NIH Special Emphasis Panel, IRAP study section, ad hoc	2020
NIH Social Science and Population Studies (SSPA) study section, ad hoc	2019
UK Medical Research Council fellowship application, online	2019
NIH Director's Early Independence Award, mail, Stage 1	2018
NIH CSR Social Solutions International Anonymization Study, mail	2018-2019
Netherlands Organisation for Health Research and Development (ZonMw), ad hoc ZonMw works on improving prevention, healthcare and health by encouraging and funding research, development and implementation.	2018
NIH Neurological, Aging, and Musculoskeletal Epidemiology (NAME) study section, ad hoc	2016
Patient Centered Outcomes Research Institute (PCORI) workgroup member to develop funding opportunities in perinatal health and disparities	2013
National Institute for Health Research (United Kingdom), ad hoc	2013
AXE Research Fund (Europe), ad hoc The AXA Research Fund has been created in order to encourage research in Europe in different disciplines tackling risks, challenges and major transformations that affect our rapidly changing world. (http://www.axa-research.org/home)	2012

NIH Infectious Disease, Reproductive Health, Asthma, and Pulmonary Epidemiology (IRAP) study section, regular member	2011-2015
NIH Director's Early Independence Award, mail, Stage 1	2011
NIH Director's Opportunity Special Emphasis Panel, mail, Stage 1	2010
NIH Selected Topics in Epidemiology Special Emphasis Panel, ad hoc	2010
NIH Challenge Grants, ad hoc	2009
United Kingdom Department of Health, Policy Research Programme, Maternal Health and Care Policy Research Unit Proposal Reviews, ad hoc The Department of Health is a State department in England, and the Policy Research Programme commissions research for government policy makers. The DH Policy Research Programme has invited applications to deliver a 5-year programme of high quality research in ten priority areas, each of which will constitute a Policy Research Unit. One of these priority areas is "Maternal Health and Care". Budgets are approximately 3 to 5 million pounds total.	2009
March of Dimes, Advisory Committee, regular	2008-2011
NICHD PEDS study section, ad hoc	2008-2010
CDC Special Emphasis Panel, China-US Collaborative, Population Based Surveillance & Research Program Maternal-Child and Family Health, telephone	2007
Michael Smith Foundation for Health Research (Canada), Career Investigator Award, mail	2006
NIH Infectious Disease, Reproductive Health, Asthma, and Pulmonary Epidemiology (IRAP) study section, ad hoc	2005-2006, 2009, 2010
Title V HRSA Block Grants (Indiana, 2002; Virginia, 1999, 2000)	1999, 2000, 2002
Data Utilization and Enhancement Grants, HRSA, regular	2000
NIDDK institute study section, ad hoc	1998
<i>Regional/Local</i>	
BioNexus KC and Blue KC Transforming KC: Health Outcomes Research Grant	2024
Henry Ford Health Systems Internal Funding Program, regular	2010
City University of New York Research Foundation, electronic	2006

Other Service

Perinatal to Pediatric Transitions Think Tank	2013-2015
Michigan Maternal Mortality Surveillance Injury Committee	2011-present
Baltimore City Fetal and Infant Mortality Review Committee	1997-2001
Maryland Infant Mortality Community Incentive Grants, regular	2000

Service for Peer-Reviewed Journals

Editorial Board Membership

Paediatric and Perinatal Epidemiology	2005-2021
Family Practice	2010-14

Review of Manuscripts

American Journal of Epidemiology	2003-present
Reviewer of the Year (one of 10)	2017
American Journal of Obstetrics and Gynecology	2003-present
American Journal of Preventive Medicine	2014 - present
American Journal of Public Health	1992 – 2019
Family Practice	2010 – present
Fertility & Sterility	2010
Journal of Adolescent Health	2015 - present
Journal of the American Medical Association	1997 - present
Maternal and Child Health Journal	2004 - 2010
New England Journal of Medicine	2004 - 2012
Obstetrics and Gynecology	2003 - 2014
Pediatric and Perinatal Epidemiology	1997 – present
Pediatrics	2000 – present
Placenta	2000 – present
Women's Health Issues	2006, 2009, 2016 - present

Other Scholarly Service

Co-Chair, Telomere Research Network Health Disparities Subcommittee	2020-2022
Member, Advisory Board for the GROWH project, Tulane University Center for Gulf Coast Environmental Health Research, Leadership and Strategic Initiatives.	2015-2018
Reviewer, U.S. EPA Indicators and Proposed Statistical Methodology for America's Children and the Environment	2011
Reviewer, Institute of Medicine Committee to "Reexamine Institute of Medicine Pregnancy Weight Gain Guidelines."	2009
Reviewer, Donovan, E, Iams, J, Rose, B. "What we know about preterm birth." Child Policy Research Center. Policy Brief. Volume 1, Issue 2. October 2008.	2008
Reviewer, "Smoking, Smoking Cessation, and Pregnancy: A Global Perspective" in proceedings of the WHO International Conference on Tobacco and Health.	2000

Reviewer, “Understanding Your Risks” and “Taking Charge of Your Health Care” in <i>Johns Hopkins Women’s Health Book</i> (Editors, K.J. Blakemore, D.M. Strobino, and J.K. Allen), New York: Harper Collins.	2000

Residents/Fellows

Neonatology fellows, lecture, 3 hours	2008
Southeast Michigan Center for Medical Education, lectures	2009-2011
Pulmonary and Critical Care fellows, lectures	2010, 2011
Family Medicine and Transition Year Residents, lecture	2011

University of Michigan School of Public Health, 2001-2008

Graduate Students

Foundations in Maternal and Child Health, Course Director	Fall 2001-2007
---	----------------

Reproductive and Women’s Health Seminar, Course Director	Winter 2002-7 Fall 2002-6
--	------------------------------

Johns Hopkins University School of Hygiene & Public Health
Graduate Students

Reproductive and Perinatal Epidemiology, Co-Course Director	Spring 1996-2001
Research Issues in Maternal and Child Health, Course Director	Spring, 1996-2000
Epidemiology 2, Lab Instructor	Spring 1996-2001
Prevention of Infant Mortality, Course Director	Fall 2000
Graduate Summer Program in Perinatal Epidemiology, Lecturer	Summer 1999, 2001
Advanced Seminar in Perinatal Health, Co-Course Director	Fall, 1996-1998
Doctoral Research Seminar, Course Director	Fall 1996
Introduction to Maternal and Child Health, Course Director	Fall 1995

City College of New York Medical School

Epidemiology 1, Course Director	Fall 1993
Community Health Assessment, Co-Course Director	Spring 1997

Mentorship

Danielle Smith, PhD student, University of Michigan	2024-present
Darielle Moore, EQ-BEST intern, MSU	2024-2025
Elizabeth Castro-Pumay, EQ-BEST intern, MSU	2023-2024
Jasmine Parker, undergraduate, EQ-BEST intern, MSU	2022- 2023
Christabelle Tosso, undergraduate, CUPS IMHOTEP	2022
Camryne Adams, undergraduate, MSU SROP, Bennett College	2022
Nylani Powell, undergraduate, MSU SROP, Temple University	2022
Rachael Weisbrod, PhD Epidemiology, advisor, MSU	2022- 2023
Florence Kizza, PhD Epidemiology, advisor, MSU	2021 - present
Jessica Worley, PhD Epidemiology, advisor, MSU	2022 – 2023
Norman Chamusah, PhD Epidemiology, T32 trainee, advisor, MSU	2021 - present
Jazib Gohar, PhD Epidemiology, MSU	2020 – 2024
Maquela Noel, undergraduate student, MSU SROP, Baylor University	2020 – 2021
Eve Njoko-Shells, undergraduate student, MSU REPID, Michigan State University	2020 – 2022
Sarah Vaughan, postdoctoral fellow, MSU; MPH student, WSU	2018 – 2024
Nadia Saadat, postdoctoral fellow	2018 – 2022
Donna Manlongat, doctoral student and RWJ fellow, WSU College of Nursing	2018 – 2020
Martina Caldwell, Health Disparities Research Collaborative Scholar, Henry Ford	2016 – 2020
Health, physician, mentor on training grant	
DeAnnah Byrd, postdoctoral co-mentor	2017 – 2019
Harmanjit Kaur, MPH advisor	2015 – 2019
Jacqueline Keen, MPH advisor	2015 – 2018

Shachi Pradhan Lisa Lukose,, MPH advisor	2014 – 2019
Maliha Ahmed, MPH advisor	2016 – 2018
Sahil Bhatia, MPH advisor	2016 – 2018
Poco Kernsmith, MPH advisor	2016 - 2020
Sana Khan, Jessie Ding, MPH project advisor	2018 – 2019
Talan Zhang, Daniel Sweeney, Dixy Rajkumar, MPH project advisor	2018
Emily Yagihashi, Inara Ismailova, medical students, WSU	2018 – 2021
Sarah McNally, Initiative for Maximizing Student Development, undergraduate, WSU	2018 – 2021
Taylor Bays, ReBUILD scholar, University Detroit Mercy undergraduate	2018 – 2021
Michaila Paulateer, ReBUILD scholar/Wayne State University undergraduate	2018 – 2021
Leigha Thomas, ReBUILD scholar/Wayne State University undergraduate	2017 – 2019
Meghan Dwaihy, MPH project advisor	2016 – 2018
Monica Meyer, MPH project advisor	2017
Jaime Slaughter, mentor Drexel University Career Development Award	2016-2017
Nema Kebbeh, ReBUILD scholar/University Detroit Mercy undergraduate student	2017-2018
Relicious Eboh, ReBUILD scholar/University Detroit Mercy undergraduate student	2016-2019
Leena Abbas, ReBUILD scholar/WSU undergraduate student	2015-2019
Bin Liu, MPH project advisor	2017
Kavan Desai, MPH project advisor	2016 – 17
Josipa Carkarun, MPH project advisor	2016
Arun Mallapareddi, MPH research project advisor	2015
Elizabeth Hacker, MPH advisor	2013 – 2016
Torrie Hill, advisor, undergraduate, Initiative for Maximizing Student Development	2012 - 2014
Prasitha Padmanabhan, MPH advisor	2011 – 2014
Gayle Shipp, public health graduate certificate advisor	2011 – 2015
Umme Suhrawardy, MPH advisor	2009 - 2013
Zeinab Mezael, MPH advisor	2010 - 2012
Kristy Hegner, Rashmi Bairoliya, MPH research project advisor	2010 - 2011
Olayinka Warritay, MPH research project advisor	2012 - 2013
Olayinka Warritay, medical student, research experience	2009 - 2010
Vickie Collins, MPH advisor	2009 - 2011
Dawn Kingston, PhD Student (McMaster University), doctoral thesis review	2009
Amanda Bramham, Gena Harrison, Angela Robinson, Lawrence Wilson, Brittany Thomas, Kelita Fox, medical students, research experience	2009

Course or Curriculum Development

Distance learning course, Prevention of Infant Mortality (Web based), Johns Hopkins University.
Foundations in Maternal and Child Health

GRANTS, CONTRACTS, AND OTHER FUNDING:

Active National/International Grants and Contracts

Co-Investigator, 10-20% Years 1-5 (MPI: C Giurgescu, J Ohm) 3/18/23-
Epigenetic aging, social factors, and preterm birth among Black women 11/30/28
National Institute of Minority Health and Health Disparities (NIMHD)
Costs: \$731,899 (directs) \$90,244 (indirect Year 1)

Co-Investigator, 15-20% Years 1-5 (PI: C Salafia) 5/3/23-4/30/28
Contribution of maternal immune activation, viral infection and epigenetics to
autism—a community-based control study
National Institute of Child Health and Human Development (NICHD)

Active Other Grants and Contracts

Co-Investigator, 3-10% (PI: S. Milberger) 01/22-3/30/25
COVID-19 Vaccination for Underserved Population
Michigan Department of Health and Human Services (MDHHS)
Total Direct Costs: \$150,000

Previously Funded Grants and Contracts

Co-Investigator, 15-20% Years 1-5 (PI: J Slaughter-Acey) 9/30/21-3/21/25
Looking Back to Look Forward: Social Environment Across the Life Course,
Epigenetics, and Birth Outcomes in Black Families
National Institute of Aging (NIA)
Costs: \$2,584,615 (directs) \$417,842 (indirects)

Terminated early by Trump Administration

Co-Investigator, 3-10% (PI: S. Milberger) 01/22-3/30/25
COVID-19 Vaccination for Underserved Population
Michigan Department of Health and Human Services (MDHHS)
Total Direct Costs: \$150,000

Terminated early by Trump Administration

Principal Investigator, 20-25% Years 1-4 09/18-07/23
Paternal Role in Adverse Birth Outcomes in Black Families
National Institute of Nursing Research
Total Direct Costs: \$1,371,384

Co-Investigator, 10-15% (PI: C Giurgescu) 5/17-4/23
Social Stressors and Inflammation: A Mixed Methods Approach to Preterm Birth
National Institute on Minority Health and Health Disparities
Total Direct Costs: \$3,768,947

Co-investigator, 5% (PI: G Daniels) Healthy Start Detroit HRSA Total Direct Costs: \$53,309	4/22-03/23
Consultant (PI: D Khalil) Family Stress, Coparenting, and Infant Development among Immigrant Arab-American Families NICHD	12/20-11/23
Co-Investigator, 10% (PI: C Giurgescu) Social Stressors and Inflammation: A Mixed Methods Approach to Preterm Birth National Institute on Minority Health and Health Disparities COVID 19 Supplement Total Direct Costs: \$205,826	08/20-4/21
Co-Investigator, 10% (PI: C Giurgescu) Social Stressors and Inflammation: A Mixed Methods Approach to Preterm Birth National Institute on Minority Health and Health Disparities Maternal Morbidity and Mortality Supplement Total Direct Costs: \$140,070	09/20-4/21
PI, 10% Michigan COVID-19 Mortality Review Michigan Department of Health and Human Services (MDHHS) Total Direct Costs: \$147,287	01/21-9/30/22
PI, 30% Data-Driven Public Health Strategies and Policies to Mitigate COVID-19 Disparities Total Direct Costs: \$319,239	10/20-12/20
Co-PI, 5% Michigan COVID-19 Mortality Review Michigan Department of Health and Human Services (MDHHS) Total Direct Costs: \$73,644	08/20-12/30/20
Co-Investigator, 0% (PI: D Khalil) Neighborhood Disorder and Epigenetic Regulation of Stress Pathways in Preterm Birth Association of Women's Health, Obstetric, and Neonatal Nurses (AWHONN) Total Direct Costs: \$10,000	08/19-07/20
Co-Investigator, 5% (PI: G Daniels) Healthy Start Detroit HRSA Total Direct Costs: \$160, 492	04/19-01/20
Co-Investigator, 3% (PI: D Walker) Chronic Stress, Lipidome Profiles, and Preterm Birth in African American Women National Institute on Minority Health and Health Disparities Total Direct Costs: \$300,000	06/17-01/20

Co-Investigator, 0% Effects of Maternal Psychological Distress on Infant Telomere Length and Development Among Syrian And Iraqi Refugees American Nursing Foundation, International Association of Forensic Nurses Total Direct Costs: \$10,000	09/18-08/19
Co-Mentor, 0% Graduate Research Assistant Competition (Emily Dove-Medows, PhD student) Wayne State University Graduate School	08/18-08/20
Co-Investigator, 5-10% (PI: D Tsilimingras) Postdischarge Adverse Events among NICU Neonates National Institute for Child Health and Human Development Total Direct Costs: \$785,366	9/16-6/2019
Principal Investigator, 6% year 1, 3% year 2 Walking for me and my baby: Pilot testing an intervention for pregnant Black women Blue Cross/Blue Shield of Michigan Total Direct Costs: \$62,425	01/17-06/18
Co-Investigator, 0% NIH P30 ES 020957 (PI: M Runge-Morris) Center for Urban Responses to Environmental Stressors (CURES) Chronic stressors, proteome profiles, and preterm birth in African American women Stress and proteome in pregnant African American women (PIs Giurgescu & Stemmer) Total Direct Costs: \$150,000	04/14-03/17
Co-Investigator, 1% Year 2 (PI: Salafia) Placental Identification and Immune Quantitation of Prenatal Acute and/or Chronic Inflammation in Children Diagnosed with Autism in Univ & Community Hospitals Department of Defense, PILOT mechanism Total Direct Costs: \$100,000	2014-2016
Principal Investigator, 25% Impact of Racism on Risk of Preterm Birth in Black Women National Institute for Child Health and Human Development Total Direct Costs: \$1,792,206	2008-2014
Principal Investigator, 0% Epigenetic Mediators of the Obese Intrauterine Environment Michigan Diabetes Research and Training Center Total Direct Costs: \$54,000	2014
Principal Investigator, 0% Infection as a Biologic Pathway to Preterm Birth in Black Women WSU Research Enhancement Program in Urban and Public Health	2010-2012

Co-Investigator, 5%	2010-2012
Placental Vascular Tree as a Biomarker of Autism/ASD Risk	
Department of Defense	
Total Direct Costs: \$483,029 (total, not direct)	
Principal Investigator, 0%	2006-2008
The Contribution of Fathers to Birth Outcomes	
Michigan Interdisciplinary Center on Social Inequalities, Mind and Body (NIH)	
Total Direct Costs: \$45,000	
Principal Investigator, 0%	2007-2008
Who Profits? Changes in Household Dynamics after Women's Participation in a	
Poverty-Lending Program in Rural Haiti	
Sisters Fund, Institute for Research on Women and Gender, University of Michigan	
Total Direct Costs: \$6,600	
Co-Investigator, 0% (PI: S. Ransom)	2004-2005
Health Disparities: Leaders, Providers, and Patients	
National Institute for Child Health and Human Development	
Total Direct Costs: \$1,119,157	
Principal Investigator, 25-40%	2000-2006
How Social Factors Influence the Risk of Preterm Delivery	
National Institute for Child Health and Human Development	
Total Direct Costs: \$1,167,490	
Principal Investigator, 0%	2002-2004
Graduate Student Minority Supplement to R01	
National Institute for Child Health and Human Development	
Total Direct Costs: \$50,000	
Co-Investigator (PI: M. Zimmerman)	2004-2009
Prevention Research Center – Flint	
Centers for Disease Control and Prevention	
Total Direct Costs: \$3,366,584	
Co-Principal Investigator (co-PIs D. Strobino & H. Grason)	1998-2001
Consultant	2002-2003
Fetal and Infant Mortality Review Evaluation	
DHHS/HRSA MCH Bureau	
Total Costs: \$1,400,000	
Principal Investigator	2000-2001
Maternal and Child Health Epidemiology Doctoral Student Training Program	
DHHS/HRSA MCH Bureau	
Total Direct Costs: \$25,000	

Principal Investigator Women's Health Data Book Jacobs Institute for Women's Health Total Direct Costs: \$60,000	1999-2000
Co-Investigator (PI: B. Guyer) Project to Advance Education and Public Policy Development for Women's Health and Perinatal Concerns DHHS/HRSA MCH Bureau Total Direct Costs: \$3,148,145	1996-2001
Co-Investigator (PI: B. Guyer) Training Program in Maternal and Child Health DHHS/HRSA MCH Bureau Total Direct Costs: \$2,008,932	1994-2000
Co-Investigator (PI: D. Strobino) Evaluation of the Intermediate Effects of the Perinatal Regionalization Project in Maryland Department of Health and Mental Hygiene, State of Maryland Total Direct Costs: \$75,000	1996
Co-Investigator (PI: P. O'Campo) Healthy Start Baltimore City Health Department Total Direct Costs: \$100,000	1996-1997
Principal Investigator Diesel Exhaust Exposure among Children in West Harlem Columbia University Division of Environmental Sciences Total Direct Costs: \$25,000	1995-1996

Invited Lectures/Presentations

International/national

1. **Misra, DP** (January 2024). How social factors across the life course intersect with epigenetics to influence risk of preterm birth. Presented at Stanford Prematurity Research Center.
2. **Misra, DP** (November 2023). How social factors across the life course intersect with epigenetics to influence risk of preterm birth. Presented at Preterm Birth International Consortium (PREBIC) North American Branch Meeting, Mexico City, Mexico.
3. **Misra, DP** (January 2023). Racism as a fundamental cause of adverse birth outcomes in Black families: Speaking towards measures and methods. Presented at the NICHD Division of Population Health Research, Rockville, Maryland.
4. **Misra, DP** (February 2023). Racism as a fundamental cause of adverse birth outcomes in Black families: Speaking towards measures and methods. Presented at the Department of Epidemiology, Brown University, Providence, Rhode Island.
5. **Misra, DP** (May 2017). Measurement of life course exposures and experiences. Presented at Maternal and Child Health Symposium “Looking Back to Look Forward: Life Course Epidemiology through a Maternal and Child Health Perspective,” Drexel University, Philadelphia, Pennsylvania.
6. **Misra, DP.** (March 2017). Health and status of women and girls in the United States. Presented at the 2017 Maya Angelou International Women’s Health Summit, Winston-Salem, North Carolina.
7. **Misra, DP.** (March 2015). Marginalized populations of vulnerable women in developed countries. Presented at the Optimal Pregnancy Environment Risk Assessment (OPERA) Project, Preterm Birth International Consortium (PREBIC), San Francisco, California.
8. **Misra, D.** (September 2013). Paternal involvement and birth outcomes. Presented at the NIH/MCHB/ACF Conference on Paternal Involvement in Pregnancy Outcomes from Preconception to the First Year of Life. Potomac, Maryland.
9. **Misra, D, Yampolsky, M Shlakhter, A, Getreuer, P, Salafia, C.** (July 2013). *Translating Measures of Placental Shape into Predictors of Infant and Childhood Health*. “Mathematics of human placenta: A window into fetal origins of adult disease.” session at the International Conference on Applied Mathematics, Modeling, and Computational Science, Waterloo, Ontario, Canada.
10. **Misra, D.** (September 2011). An Integrated Perinatal Health Framework. Symposium “Preconception Care: Science and Practice” at the 7th World Congress on Developmental Origins of Health and Disease, Portland, Oregon.
11. **Misra, D, Yampolsky, M Shlakhter, A, Getreuer, P, Salafia, C.** (July 2011). Translating innovative mathematical and physical measures of the placenta into predictors of childhood health: The journey from mathematics and physics to pathology to epidemiology. “Physics and Mathematics of the Human Placenta” session at the International Conference on Applied Mathematics, Modeling, and Computational Science, Waterloo, Ontario, Canada.

12. **Misra, D.** (October 2010) Workshop Chair: Fathers and Pregnancy Outcomes. Presentation "Biopsychosocial contributions of fathers to pregnancy outcomes." Marcé Society (International Society for the Understanding, Prevention and Treatment of Mental Illness Related to Childbearing): Perinatal Mental Health Research: Harvesting the Potential." Pittsburgh, PA.
13. **Misra, D.** (September 2009). Social and behavioral factors and preterm birth. *Frontiers in Pregnancy Research*, 2nd Annual Symposium, Behavioral, Social and Population Influences on Preterm Birth Risks. Denver, Colorado.
14. **Misra, D.** (September 2008). Birth outcomes – Tracking the root causes of disparities. Presented at the Annie E. Casey Foundation 2008 KIDS COUNT Conference – "Leadership Counts: Envisioning the Future." Baltimore, MD.
15. **Misra, D.** (October 2006). Using a multiple determinants model with a life course approach to improve perinatal health. Plenary at "Depression Care for Women Across the Lifespan" Conference. University of Pittsburgh and the Western Psychiatric Institute and Clinic. Pittsburgh, Pennsylvania.
16. **Misra, D.**, Grason, H (October 2005). Using a life course and multiple determinants approach to address healthy weight in women. Presented at 2005 Federal-State Maternal and Child Health Partnership Meeting: "MCH Across the Lifespan." Washington, DC.
17. **Misra, D.**, Grason, H. (May 2005). Achieving Safe Motherhood: Applying a life course and multiple determinants perinatal framework in public health. "Expecting something better" conference. Jacobs Institute of Women's Health. Washington, DC.
18. **Misra, DP**, Guyer, B, Allston, A. (June 2003). Integrated perinatal health framework: A multiple determinants model with a lifespan approach. *Academy Health (formerly Academy for Health Service Research and Health Policy)*, Nashville, Tennessee.
19. **Misra, D.** (January 2002). Overview of emerging issues in women's health. Capital Hill Briefing Series on Women's Health Policy, "A Profile of Women's Health: An Agenda for Change." Washington, DC.
20. Strobino, D, Grason, H, **Misra, D.** (August 2001). Selected findings from the nationwide evaluation of Fetal and Infant Mortality Review programs. *Fourth National Fetal and Infant Mortality Review Conference*, Washington, DC.
21. **Misra, D.** (October 1999). Current trends in women's health. 1999 MCH Federal-State Partnership Meeting, Washington, DC.
22. **Misra, DP.** (July 1998). Environmental tobacco smoke and low birth weight. OSHA Expert Panel Workshop on ETS and Health Outcomes, Baltimore, MD.
23. **Misra, D.** (June 1998). Reproductive Health Policy Issues. *Women's Progress Conference*, Washington, DC.
24. Strobino, D. and **Misra, D.** (September 1997). Predictors of Maternal Transport. Roundtable series at federal Maternal and Child Health Bureau, Rockville, MD.

25. Koontz, A, Kessel, W, (**Misra**) **Phillips, D.** (1988). Comparison of infant mortality -- U.S.A. and Scandinavia: Lessons to be learned. National Perinatal Association.

Local/regional

1. **Misra, D.** (November 2020). Racism as a fundamental cause of adverse birth outcomes in Black families: Speaking towards measures and methods. Department of Medicine Research Forum. College of Human Medicine, Michigan State University.
2. **Misra, D.** (September 2020). An Epidemiologist's Perspective on the COVID-19 Pandemic. COVID seminar series. College of Human Medicine, Michigan State University.
3. **Misra, D.** (February 2017). Health Disparities Research Panel. Health Equity Research Conference, MedEq Student Association, Wayne State University.
4. **Misra, D.** (November 2016). Moderator. Arthur L. Johnson Urban Perspectives Lecture Series. Wayne State University.
5. **Misra, D**, Rossi, N. (March 2013). "Closing the Salary Gap." Women in Medicine and Science Interest Group, Wayne State University School of Medicine.
6. **Misra, D.** (April 2012). Family Medicine Research. Wayne State University Department of Family Medicine Resident Research Day. Rochester, MI.
7. **Misra, D.** (March 2011). Racial Disparities in Birth Outcomes: The LIFE study of preterm birth. Winter 2011 Colloquium Series, Merrill Palmer Skillman Institute, Detroit, MI.
8. Caldwell, C, **Misra, DP (presenter)**, Young, A, *Johnson, J. (May 2009). "Fathers Matter": Depressive Symptoms among Black Fathers in the Perinatal Period. Michigan Family Medicine Research Day, Brighton, MI.
9. **Misra, D.** (January 2009). Strategies and systems for preconception risk communication regarding environmental hazards for maternal and infant health. Health Evaluation Sciences seminar series, Pennsylvania State University, Hershey, PA.
10. **Misra, D.** (April 2008) Using a multiple determinants model with a life course approach to improve perinatal health. Keynote address. Nebraska Lifespan Health Partners Collaborative, Lincoln, NE.
11. **Misra, D.** (April 2008) How Fathers Influence Birth Outcomes. Workshop. Nebraska Lifespan Health Partners Collaborative, Lincoln, NE.
12. **Misra, D.** (February 2008). A life course model for racial disparity in preterm birth. Department of Epidemiology, Harvard University School of Public Health, Boston, MA.
13. **Misra, D.** (January 2008). A life course model for racial disparity in preterm birth. Department of Epidemiology and Preventive Medicine, University of Maryland School of Medicine, Baltimore, MD.

14. **Misra, D.** (December 2007). A life course model for racial disparity in preterm birth. Epidemiology Section, Brown University Biomed Program, Providence, RI.
15. **Misra, D.** (May 2007). A life course model for racial disparity in preterm birth. Department of Maternal and Child Health, Boston University School of Public Health, Boston, MA.
16. **Misra, D.** (April 2007). A life course model for racial disparity in preterm birth. Department of Epidemiology, Mt. Sinai School of Medicine, New York, NY.
17. **Misra, D.** (April 2007). A life course model for racial disparity in preterm birth. Department of Health Education and Behavior, University of Florida, Gainesville, FL.
18. **Misra, D.** (September 2006). A life course model for racial disparity in preterm birth. Clinical Epidemiology Seminar Series. Center for Clinical Epidemiology and Biostatistics, University of Pennsylvania. Philadelphia, PA.
19. **Misra, D.** (May 2006). A life course model for racial disparity in preterm birth. Department of Family Studies, University of Maryland. College Park, MD.
20. **Misra, D.** (March 2006). Using a multiple determinants model with a life span approach to prevent and manage diabetes, HIV, and other chronic diseases to improve perinatal and women's health. Keynote address at "Linking women to health, power, and love across the lifespan." Northern Manhattan Perinatal Partnership. New York, NY.
21. **Misra, D.** (September 2006). A Life Course Model for Racial Disparity in Preterm Birth. Keynote address at: "National Meharry-Vanderbilt Alliance Research Conference Series on Health Disparities: Why Our Babies Die." Nashville, TN.
22. **Misra, D.** (March 2005). Findings from the nationwide evaluation of FIMR. Keynote address at "Benchmarking Progress: Outcomes of the Mortality/Morbidity Review Process." Princeton, NJ
23. **Misra, D.** (March 2005). How social factors influence preterm delivery. Health Evaluation Sciences seminar series, Pennsylvania State University, Hershey, PA.
24. **Misra, DP.** (November 2004). Perinatal health and health disparities. Executive Program in Health Management and Policy. University of Michigan School of Public Health, Ann Arbor, MI
25. **Misra, DP.** (October 2003). Social factors and policy issues in sexually transmitted infections. Symposium "Models, Data and Public Health Action: STDs in Michigan." University of Michigan School of Public Health, Ann Arbor, MI
26. **Misra, DP.** (June 2003). Integrated perinatal health framework: A multiple determinants model with a lifespan approach. Grand Rounds at University of Michigan Women's Hospital, Ann Arbor, MI
27. **Misra, DP.** (May 2002). "Healthy Pregnancy" workshop. University of Michigan Women of Color Symposium: Health and Activism.

28. **Misra, D.** (November 1998). Benefits and limitations of prenatal care. Grand Rounds at Washington Hospital Center, Washington, DC.
29. **Misra, D.** (April 1998). Poverty and pregnancy outcomes. Maternity Care Coalition Education and Advocacy Meeting, Philadelphia, PA.
30. **Misra, D.** (January 1995). The epidemiology of pregnancy-induced hypertension. Department of Maternal and Child Health, Johns Hopkins University School of Hygiene and Public Health.
31. **Misra, D.** (January 1995). The association between nulliparity and hypertensive disorders of pregnancy. Michigan State University Program in Epidemiology, East Lansing, MI.
